Hi Robyn,

Alright, I have gone through the Demonstration emails and Completed folder, we have 55 emails against the removal of Councillor Deans from the OPSB and 10 emails in favour, or at least, not opposed to the removal. That's a total of 65 emails on the subject. Attached are examples of negative emails.

If you would like examples of some more positive emails let me know and I can send some over.

Cheers,

Ben

Hate to be a pain
But the Mayor wants to know a little more about the OPSB governance emails
How many are mad at the replacement of Deans and how many are supportive.
Can you send a few so we can get a flavor.

Thanks,

Robyn

Hi Robyn,

Its hard to give an exact number because many emails address multiple facets of the demonstration. We have about 2690 emails regarding the demonstration, apprx. 50-150 I would say address Councillor Deans being replaced on the OPSB.

Of course, our overall email numbers are much higher. We have 22,510 emails in our February Completed folder this month (about 5x what we would normally get) most of which are about the demonstrations in one way or another but do not warrant a response.

Let me know if you need more info

Cheers,

Ben
